Co-Presidents Letter

This Founder's Day, January 17, 2023, marked the completion of the fifth year of Zeta Zeta Aviators Club.

How time flies!

Over the years, we've grown significantly in membership, and our bonds have also grown.

We've collaborated on creative projects, ritual drafting, and the foundations of our Fraternity.

We've gotten to know each other better through our bond, and we've done all sorts of silly shit.

We held the largest meeting of Aviators to date in October 2022, and we held our first elections shortly after in December. We're stoked to keep the ball rolling and keep everyone engaged! Let's make some cool shit!

We wanted to thank all of y'all from the heart for being along for the ride, and for being our dear beloved friends, and most of all, for keeping it rowdy.

Cheers to another year as Aviators!

Yours in the Skies,
Aves. Kamille and MD
Co-Presidents

Chapter Updates

Elections were held in December 2022 for the 2023 term. January marked the start of the first term for the full Grand Council of Aviators Club!

Grand Council and Alpha Chapter officers elected:

Ave. **Kamille**, Secretary
Ave. **Liquid**, Vice President, Co-Sergeant-at-Arms
Ave. **Moni**, Co-Sergeant-at-Arms
Ave. **Krispy**, Historian

Aves. **MD** and **Kamille** remain Co-Presidents of the Grand Council and Alpha Chapter.

Changes

In 2022, *Alpha Chapter Bylaws* were ratified by the Co-Presidents. The Bylaws can be found on our website and in the current edition of our membership manual, *Initial Education*.

Also in 2022, *Initial Education* underwent significant edits to include the current Constitution and Bylaws, sheet music for ZZA Chorale, the Code of Conduct, and other things deemed important for the pledge and Aviator such as important lore and a silly workbook.

Initiations and Pledges

Last year, we initiated Ave. **Harrow** into our membership!

Congratulations on the completion of your Tufore and a warm welcome!

Also last year, pledge **Lonnie** accepted a bid to join our fraternity.

In February 2023, pledge **Beatrice** accepted a bid to join our fraternity.

We look forward to the completion of your Tufores and wish you both the best of luck!

If you would like a copy of the Initial Education membership manual, reach out to a Co-President and we'll send you one.

What if this newsletter was regularly published? Would that be sick or what?

Our Goals

- These projects are currently in the works with the aim of completion by the end of 2023:
- Completion of appendices, printing, and distribution of Auxiliary Rituals
 - The scripts are finalised, but we are still in the process of completing the tracing board and transcription of March of the Marital Aviators prior to printing.
 - Zeta Zeta Aviators Club Talent Show Zine completion and distribution
 - We have a few submissions! Let's get more!
 - Grand Council ratification of ZZA running Traditions
 - This is intended to be updated and ratified regularly as traditions arise out of intention or happenstance.

History Spotlight

Scope this bad boy.

This license plate is a set of two made by our Co-Founders in 2018, the foundational year of our fraternity. This early attestation to our tenets is part of our longstanding crafts tradition. One is loose in the office of the Co-Presidents (pictured), and another permanently affixed to a pilot's kneeboard, which is currently in Co-Founder Kamille's car emergency bag.

5 years ago...

- Alpha Chapter membership had reached **14 Aviators** as of February 27, 2018
- Our first iteration of the Foundation Book was printed and distributed as a gift to all initiated Aviators
- Our fraternity became international with initiates in Denmark and Canada
